

Lew's Official School Fishing Program

Supporting Organized High School Fishing Teams

CONFIDENTIALITY NOTICE

Lew's products obtained through this program are for club/team members' use only and shall not be sold by any means. Also, the special discounts are confidential to the participants of this program and are not to be shared outside of your organization. Any abuses of this program are subject to the club/team's immediate removal from the affiliated privileges associated with the Lew's School Fishing Program.

Lew's Overview

Lew's, a legendary rod and reel brand with a history of product innovation that continues to this day, is a proud supporter of high school and collegiate fishing programs. The information that follows describes our official programs that have been designed to help school-sanctioned clubs/teams and their members acquire Lew's products at a discount. Please acquaint your group with these opportunities, many of which have been initiated as a result of input from existing high school and college fishing teams from across the country. We sincerely hope your club/team is interested in becoming part of the rapidly growing list of those affiliated with the Lew's brand and products.

Fishing Club/Team Eligibility

Any high school club/team that is recognized by the school's administration and has a designated advisor, coach or adult supervisor is eligible to register for participation in the Lew's School Fishing Program. A club/team must consist of at least six individuals to qualify for this program. To enroll, please complete and submit the registration form included with this information. Upon approval, a Lew's Fishing Team identification number (ID #) will be assigned to your club/team for use on all forms and records pertaining to your group. Your group will retain "active" status as long as club/team rosters are updated and maintained in accordance with participation guidelines.

Student Angler Eligibility

High School: To be an eligible member of a high school fishing club/team, a student must be enrolled in the stated school as a full-time student.

Eligible Rods, Reels & Combos

All Lew's products are now available for purchase. Purchase price is calculated at 40% off of the MSRP shown on the Lew's website, www.lews.com, with the following limitations:

- 2 Rods per team member
- 2 Reels per team member
- Any Lew's Fishing combo will count as 1 Rod and 1 Reel against the team member's total allotment

Apparel and Accessories

Special promotional pricing on Lew's apparel and accessories is available, for team members to purchase at the same time as their tackle orders or throughout the year.

- Team members will receive a 40% off of MSRP value on all Lew's apparel and accessories.
- Please visit www.lewsstuff.com for a full listing of available apparel and accessories.
- Team members do not qualify for the Lew's Fishing promotional offers offered on the box and/or hangtag of the product if the Lew's Fishing product is purchased through the Lew's School Fishing Program.

Lew's Bass Bucks

For Lew's School Fishing Program orders of \$500 or more in total value, Lew's Bass Bucks are earned at a rate of 10% of the total order value and can be used to purchase Lew's apparel, boat bags and other promotional items. Your earned Lew's Bass Bucks must be spent at the same time of placing your team order. We highly recommend placing larger orders to utilize the optional Bass Bucks.

Fishing Club/Team Member Orders

Upon being assigned a Lew's ID #, your group is allowed to order two rods and reels per person up to the total number of individuals that appears on your active team roster, including the advisor, coach and/or adult supervisor(s). For example, if you have 12 names on the official roster, you can order up to 24 rods and 24 reels through the Lew's School Fishing Program.

How to Order

Ordering through the Team Lew's School Fishing Program can only be accomplished through Lew's Fishing directly.

- The coach, faculty advisor, or treasurer of the team/club will need to fill out the attached fillable PDF order form and must be submitted to our customer service team for processing.
- A valid contact number must be given on the form to be contacted for payment.
- If a purchase order (PO) is being utilized through the school a copy of the PO must be faxed/mailed/mailed in to attach to the order before the order will be shipped.
- Full payment (credit card or cashier's check) must accompany the order.
